PRICES

MONTHLY BILLING PRICING MODEL

This model combines a fixed monthly base fee per user with usage-based costs for image and video creation.

Monthly Base Fee (per user)

This base fee covers the core functionalities and support for tuomi chat. You can choose from the following options:

- Option A** | 15.00 EUR per user (20+ user)
- Option B** | 20.00 EUR per user (5+ user)
- Option C** | 25.00 EUR per user (Single user)

Prices for Media Generation (based on usage)

Costs for image and video creation are calculated in addition to the base fee, based on actual usage. MiniApps are billed solely on usage, with no additional fixed costs.

- Pictures** | 0.10 EUR per picture
- Videos** | 0.90 EUR per video (Veo 3 - 6-8 seconds)

LOCAL HOSTING

- With your own logo
- Updates by tuomi

Application and Database Setup on 2 Ubuntu Linux VMs | 5000 EUR

Monthly costs for updates and support

- Option A** | 15.00 EUR per user (20+ user)
- Option B** | 20.00 EUR per user (5+ user)
- Option C** | 25.00 EUR per user (Single user)
